

Week 6 - A New Outpouring

Day 36

We head into our last 5 days of our YouRevolution daily devotions. Now, we head away from reflection and application from the last message we heard, and into preparation for the final message - a new outpouring.

On this first day, we will focus on Adoration. Today's reading is a Psalm; if you are in a place you can, read this Psalm aloud, with all the conviction you can muster.

Read: Psalm 33

In Deuteronomy 32:3-4, Moses sings a song over the nation of Israel, and commands them to "ascribe greatness" to God. This is proclaiming, declaring, and accrediting all glory, might, power and honour to God. We do this through praise. This is different to thanksgiving (which we'll come to), it is speaking out the truth of who God is. In this way, we align ourselves with all creation, which speaks of His greatness, with the angelic hosts, who never stop declaring His praise, and the global church. There is so much more going on than what we can see with our natural eyes or hear with our natural ears when we are declaring the might, power, glory, and honour of God.

Week 6 - A New Outpouring
Day 36

Prayer: Take time now to speak out His goodness, glory, might and power. If you run out of things to say, grab a Psalm, and declare that with everything.
